## Guide to Creating and Sustaining Great Partnerships:

Wouldn't it be great if we could all have near perfect partnerships--at home, at work, and at the bridge table. The reality is that creating and maintaining a good bridge partnership requires some skills, habits, and practices that aren't taught in bridge classes. *Perfecting Your Partnerships* is the only book available that addresses the challenges bridge players face in identifying potential partners and improving partnerships. In addition, it covers such topics as mentoring partnerships and the procedures and behaviors you and your partner can adopt at the bridge table to ensure a well-paced, hassle-free, and enjoyable bridge game.

**About the Author**The author is a Bronze Life Master who lives and works in the San Francisco Bay Area. In addition to playing and occasionally teaching bridge, she enjoys writing, doing genealogy research, and spending time with her family.
