From Brand: Sikorski : Peter and the Wolf, Op. 67: Full Score (English and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Peter and the Wolf, Op. 67: Full Score (English and German Edition):

MaroldI needed the music for the tune Prokofiev associated with Peter, so that I could play it in a different context. It also occurred to me that I may want, from time to time, the theme for all the other characters. Since I can read music

and I can read German, this fit the bill on all counts. I can play what I want, even if I end up playing Peter with a clarinet instead of a violin. 1 of 1 people found the following review helpful. LanguageBy alncmu17Perhaps this should have been my own intuition on the publisher... but the score is totally in German. The SCORE itself is BEAUTIFUL!Keep making music!-ALN1 of 1 people found the following review helpful. No English, only GermanBy Martin MOnly a narration in German is included; there is no English translation. Please change the misleading title. Otherwise the score is easy to read (easier than the old Kalmus edition).
