**Mark Cohen : Pharaoh: Prima's Official Strategy Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pharaoh: Prima's Official Strategy Guide:

5 of 5 people found the following review helpful. Of moderate use By Sarah C. Lund If you want some basic strategies, information and advice, this is a useful reference. But if you're looking for nitty, gritty, details and technical information on city building and the interation of all the elements of the game, the internet is still the only choice. 15 of 17 people found the following review helpful. This book was so helpful! By A Customer This book helped me so much. I was stuck on a level, so I refered to this book. It gave me some great tips and strategies to help me beat the game! I wold reccomend this book to anyone who is having trouble. I am sure it can help you. It had some great insight to the complexities of the game This is one of the best strategy guides I have ever read!
