Dean Martin Jerry Lewis appear on disc 6 episode B. Very funny stuff. Sheldon Leonard appears quite a few times. Alice's brother Willie only appears in one episode.Some audio highs and lows during playback in the car.The included Program Guide with this collection makes no mention of the songs Phil or Alice sing during the 20 shows. The Phil Harris-Alice Faye Show set the pace for all-out comedy as the Golden Age of Radio moved into its latter days, with Jack Benny's wavy-haired bandleader, his long-suffering movie-star wife, and his no-account guitar-playing buddy caught up in outlandish predicaments every week. Aided and abetted by some of radio's outstanding character

actors, Phil and Alice's adventures will always leave you laughing! Is Phil the last of the Mohicans? Is Elliott going to the Orient? Is Willie getting married? Is Alice able to keep up with their shenanigans? Find out in 20 digitally restored and remastered episodes, many of them available for the first time anywhere! Includes a program guide by radio historian Elizabeth McLeod.
