**Hollywood 360 : Philo Vance, Detective, Vol. 1 (Hollywood 360 - Classic Radio Collection)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Philo Vance, Detective, Vol. 1 (Hollywood 360 - Classic Radio Collection):

[Audio Theater] Don't miss this collection of episodes from old-time radio's popular -- and most stylish -- detective. Philo Vance is a fictional character featured in numerous crime novels written by S. S. Van Dine published in the 1920s and 1930s, and who was later revived on radio and in film and television. During that time, Vance was immensely popular. He was portrayed as a stylish, even foppish, dandy, a New York bon vivant with a highly intellectual bent -- America's Sherlock Holmes. He worked closely with his secretary and right-hand woman, Ellen Deering, and his pal John Markham, New York County district attorney -- not that Vance needed any help solving a crime. Episodes included: "The Back-Stage Murder Case," "The Argus Murder Case," "The Bulletin Murder Case," "The Cover-Girl Murder Case," "The Black-Jack Murder Case," "The Star-Studded Murder Case," "The Murdock Murder Case," "The Vanilla Murder Case," "The Tea Cup Murder Case," "The Jackpot Murder Case," "The Ivory Murder Case," and "The Mimic Murder Case."

About the Author Hollywood 360 is a syndicated radio show heard every Saturday evening on radio stations throughout the United States. Hollywood 360 showcases a wide variety of audio entertainment, from the golden age of Hollywood to today's most current headlines.
