Besides providing commentary and analysis, this item introduces me to one of the many Mozart Piano Concertos that I do not yet know well.

An original concept: in one volume, a study-size score of a major musical work, and a comprehensive body of tools

for the study of that work. Music examples and charts illustrate the analyses, and each essay is fully annotated by the editor. In some cases, the results of original research by the editor or by others working in the field are published here for the first time. Much of the material has never before appeared in English.

About the Author Joseph Kerman was a leading musicologist, music critic, and music educator from the 1950s to the 2000s. He reshaped our understanding and appreciation of Western classical music with his first book, *Opera as Drama* (1956), to his last, *Opera and the Morbidity of Music* (2008), including his studies on Bach, Beethoven, William Byrd, concertos, and more. He was a professor at the University of California at Berkeley, where he served two terms as chair of the Music Department. He wrote *Listen* together with his wife, Vivian Kerman.
