I would recommend it as a great way to be introduced to the piano or to get back into playing again.2 of 2 people found the following review helpful. Excellent book for learning what to look for when purchasing ...By H. PearsonExcellent book for learning what to look for when purchasing a keyboard or piano, and what to look for in piano movers. The online direction is good if you have some background in reading sheet music, but just enjoy the learning experience of how to play the piano.1 of 1 people found the following review helpful. Easy reading and clear guidelines for learning.By CustomerI have yet to read the entire book but what I have read is clear and understandable.

Play the piano today with an easy-to-use instruction set! Piano For Dummies, 3rd Edition is an invaluable resource for anyone seeking fundamental piano instruction. Whether you're brand new to the piano or have been at it awhile, Piano For Dummies will soon have you tickling the ivories like a pro! This book contains all the information you need to start playing today, including clear instruction and supplementary materials.
