0 of 0 people found the following review helpful. Very good book for beginners By Dee Pullen Very good book for beginners! The only complaint I have is it has no index and has so many chords it can be difficult to find a specific one. It also has very good hand placement diagrams that make it easy to learn. I would highly recommend it for those who are just starting out! 0 of 0 people found the following review helpful. Five Stars By SRB Covers all the chords you'll need for the piano. My piano teacher loves it! 0 of 0 people found the following review helpful. I Recommend This Book By Royden Very easy to use reference. All the chords in one place.

Teach yourself the essential piano chords plus many more! Organized as a chord per spread, for the left and right hands, this is a handy, comprehensive reference for jazz, pop, rock and soul musicians playing the piano or keyboard at any level. This no-nonsense, easy to carry, wire book will fit on a stand and into a music bag or hand bag with the minimum of fuss. Revised and updated version, replaces ISBN-13 9781844517152.

5.0 out of 5 stars | Easy Use Chords | By Roy Eldridge | I am self taught on music and I find this very helpful. It is a lot quicker to find the chords compared to my other chord lists. \* \* 5.0 out of 5 stars | Piano and Chords Books | By Mr G Honey | BRILLIANT little book showing you all the chords you would ever need! The left page shows you the left hand chord structure, and the right hand page shows you the right hand chord structure like fingering etc. A must for reference and ideal when you forget what a chord is made up of. Every music class should have one and I got it at a bargain price from !! \* \* 5.0 out of 5 stars | This is just great... | By Wayno | For a budding piano great like myself this is an enormous help. Nice big diagrams and text, ring bound, fab. Have also ordered the guitar version as well, this book that good. \* \*About the Author Jake Jackson's publications, as writer, editor or contributor, include The Beginner's Guide to Reading Music, How to Play Classic Riffs and Play Flamenco. As guitarist and songwriter he has been in a few bands, including Slice, The Harmonics and Starbank and has studied a form of Flamenco guitar. Although Jake has a range of fine guitars in his house his favourite music software is Sibelius and, having worked with Cubase for many years, is now moving over to Logic Pro.
