Robert Schumann : Piano Music of Robert Schumann, Series II (Dover Music for Piano) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Piano Music of Robert Schumann, Series II (Dover Music for Piano):

0 of 0 people found the following review helpful. Superb value for the money. By Daisy the Dog This publication is superb value for the money, as are all full-size Dover editions. Beware the few Dover publications that are 3/4 size with compressed score (ex. Bach Keyboard Music). Those are too hard to read. 1 of 2 people found the following review helpful. I'll stick with the urtext edition that I have been happy with in the past. By Tuesday When I bought this book I was being cheap trying to cut my costs; let's just say you get what you pay for. I typically buy urtext editions such as Henle, and well, this is NOT Henle. One of the pages inside of the book arrived ripped in the middle, and the

piece that I am working on has a misprinted note (a D-flat instead of a B-flat). I will not be buying this type of edition in the future, I'll stick with the urtext edition that I have been happy with in the past. 0 of 0 people found the following review helpful. Five Stars
By Kate
What's not to love -- Schumann's piano music is great! This Dover edition is clear, neat, easy to read.

Dover Publications continues its series of playing editions of musical masterpieces with this selection of Robert Schumann's later compositions for solo piano, edited by Clara Schumann. This second volume contains the major compositions from the period 1838-53: "Humoreske," "Novelletten," "Sonate No. 2," "Nachtstucke," "Faschingsschwank aus Wien," "42 Clavierstucke fr die Jugend," "4 Fugen," "Waldscenen," "Bunte Bltter," and "3 Clavier-Sonaten fr die Jugend." This book has been especially designed as a playing edition the noteheads are large and easily readable at the piano, and the margins and spaces between staves are adequate for written notes, fingerings, and turnovers. It is also most useful for analysis or as accompaniment to recordings.
