**From Alfred Music : Piano Music** before purchasing it in order to gage whether or not it would be worth my time, and all praised Piano Music:

1 of 1 people found the following review helpful. Piano LiteratureBy LaurelIt's is quite wonderful that one can download almost 200 year piano music written by a woman!... but, with the small notes which can be manipulated only slightly by the font key, it is very difficult to read and/or play at the piano on a laptop, let alone a kindle.0 of 0 people found the following review helpful. Five StarsBy petergreat job1 of 3 people found the following review helpful. clara schumannBy Thelma G. LandonI am only so glad there is music out there that is published of Clara Schumann's works. So thank you Dover Publication for this and for the reasonable price. I really don't like the print on the book. It does not have the nice crisp clarity that you normally expect of music print. It would have been nice if the

music type set could have been adjusted for ease of readability. Also, it would have been nice if the music could have been edited [...]I think this music is very important because it is Clara Schumann and her music has been unjustly neglected. This edition should be prized and therefore given the best publishing tools available. Get with it Dover!

Original compilation of the composer's most popular, most mature piano works, including Witches Dance, Op. 5, No. 1; Four Fleeting Pieces, Op. 15; Three Preludes and Fugues, Op. 16; Variations on a Theme by Robert Schumann, Op. 20; Romance, Op. 11, No. 2; and Three Romances, Op. 21. Selected and with an Introduction by Dr. Nancy B. Reich.

Beautifully done ... a genuine pleasure to read -- Anita Brookner I don't know which I liked better, the letters from Constance - so warm and witty - or Constance herself. Mary Hocking has suddenly shown a new strength in this wonderfully touching novel -- Margaret Forster

About the Author Born in London in 1921, Mary was educated at Haberdashers' Aske's Girls School, Acton. During the Second World War she served in the Women's Royal Naval Service (Wrens) attached to the Fleet Air Arm Meteorology branch and then briefly with the Signal Section in Plymouth. Writing was in her blood. Juggling her work as a local government officer in Middlesex Education Department with writing, at first short stories for magazines and pieces for The Times Educational Supplement, she then had her first book, *The Winter City*, published in 1961. The book was a success and enabled Mary to relinquish her full time occupation to devote her time to writing. Even so, when she came to her beloved Lewes in 1961, she still took a part-time appointment, as a secretary, with the East Sussex Educational Psychology department. Long before family sagas had become cult viewing, she had embarked upon the 'Fairley Family' trilogy - *Good Daughters*, *Indifferent Heroes*, and *Welcome Strangers* - books which give her readers a faithful, realistic and uncompromising portrayal of ordinary people caught up in extraordinary times, between the years of 1933 and 1946. For many years she was an active member of the 'Monday Lit', a Lewes-based group which brought in current writers and poets to speak about their work. Equally, she was an enthusiastic supporter of Lewes Little Theatre, where she found her role as 'prompter' the most satisfying, and worshipped at the town's St Pancras RC Church.
